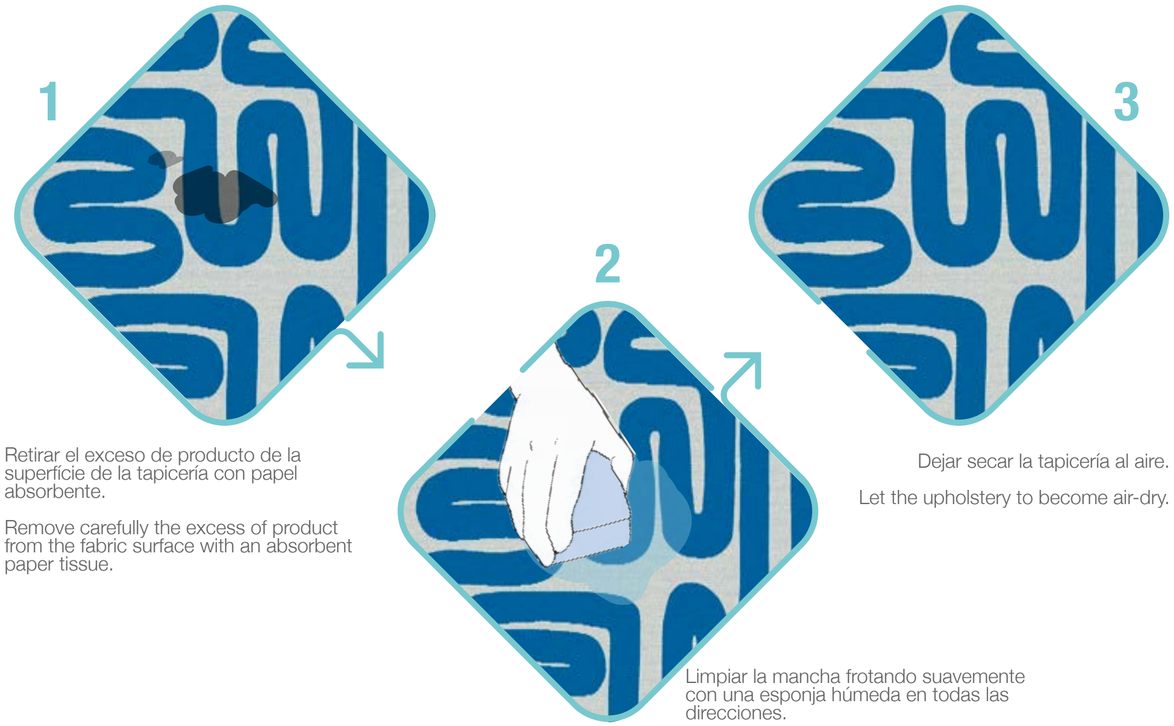
Tecnología de fácil limpieza
Technology for easy clean

Nuestro tratamiento Pielsa Clean protege el tejido frente a manchas de líquidos en solo tres sencillos pasos.

Our Fast Clean treatment allows you to keep your fabric in excellent condition following three simple steps.



Retirar el exceso de producto de la superfície de la tapicería con papel absorbente.

Remove carefully the excess of product from the fabric surface with an absorbent paper tissue.

Limpiar la mancha frotando suavemente con una esponja húmeda en todas las direcciones.

Clean off the stain, rubbing it gently with a damp sponge in all directions.

Dejar secar la tapicería al aire.

Let the upholstery to become air-dry.

Para mantener y cuidar el tejido frente a manchas grandes, persistentes o grasas, se recomienda lavarlo a máquina siguiendo las instrucciones.

In order to keep the fabric clean when facing big-sized, greasy or persistent stains, we recommend following the cleaning instructions detailed in the fabric technical datasheet.
